Millville School to hold 2nd Annual Cow Pie Bingo fundraiser

Millville School's parents' club PTK is holding an unusual fundraiser again at this year's Back to School Night on Thursday, September 9, 2010, and they would like to invite everyone to participate. The game is "Cow Pie Bingo" and squares are available for \$10 a piece. The winner will receive \$250 and does not have to be present to win. "It was so fun last year and a total success for our school," said event coordinator Cyndee Loucks.

All squares purchased will be randomly placed on a grid by a PTK member. At 6:00 p.m. a cow will be released onto the grid, and wherever the first cow pie falls is the winning square. If the pie falls on a line, the winning square will be the one with the majority of the manure on it. In the event of a tie, the money will be split between the two purchasers.

To purchase a square, contact Cyndee at 941-7460.

New 'Cat in the Hat' kids' show debuts in family-friendly prime time broadcast

KIXE is celebrating the premiere of "The Cat in the Hat Knows A Lot About That" kids series with a special primetime broadcast at 8:00 p.m. on Monday, Sept. 6, 2010.

The family-friendly broadcast, which will include some special in-studio guests and other surprises, is intended to introduce the new Dr. Seuss series and reacquaint parents with KIXE's strong daily lineup of children's programming, according to General Manager Philip Smith.

"We're very proud of our kids' programs and this should be a fun way to remind folks that Channel 9 continues to be a 'safe harbor' on the TV set where their children can visit for fun, curriculum-based programs that mix learning and entertainment in

a commercial-free setting," Smith said.

Voiced by award-winning actor Martin Short, Dr. Seuss's The Cat in the Hat guides friends Sally and Nick, with help from the Fish, Thing 1 and Thing 2, on fun-filled adventures where they make natural-science discoveries.

The program, based on the acclaimed The Cat in the Hat Learning Library book series, is designed to appeal to preschoolers' natural curiosity with the goal of fostering a love of learning and an interest in science. It airs at 8:30 a.m. weekdays beginning on Tuesday, Sept. 7.

For more information about KIXE's programming or its Education Outreach Program, call 243-5493 or visit kixe.org.

Soroptimist International to sponsor breast cancer fundraiser

Soroptimist International of Redding will host its 13th Annual Breast Cancer Awareness Luncheon on Tuesday, October 19, 2010, at the Redding Convention Center. Doors open at 11:00 a.m. and serving starts at 11:45 a.m.

This year's luncheon will feature critically acclaimed author, artist and speaker, Heidi Marble. On April 12, 2000, Heidi Marble faced her own mortality at the age of 34, after being diagnosed with inflammatory breast cancer, a cancer so rare that most have never even heard of it. She defiantly fought the deadly disease and now, ten years later, she is transformed and invigorated to take her message to the millions whose lives are touched by cancer. Her book first book, *Waiting for Wings*, is more than a story about cancer. It is a story about love--love of a child, love of a couple and an unflinching love of life.

Her new book, *Taking Flight*, will launch in October 2010. This book is a guide to help those diagnosed with cancer and their supporters become empowered to fight the disease. *Taking Flight* is a compilation of stories containing humor, relevant expert advice, tales of hope and courage, thoughts on nutrition, spirituality and exceptional survivorship. Some of the contributors include: Bernie Siegel, MD, author of *Love, Medicine and Miracles* and Steve Arterburn, founder and chairman of New Life Ministries and author of

Women of Faith.

Marble is actively involved with public speaking; she has spoken at over 50 fundraising events throughout the country and has made several television and radio appearances. She is currently in the process of completing a documentary based on her book, *Waiting for Wings*. In her presentation she blends humor and her own real life experiences to touch her audience.

She also uses a special form of artwork to raise money for people afflicted with cancer. She takes broken and unused jewelry from cancer survivors and those interested in the cause to create life forms that tell a story.

Waiting for Wings will be for sale at this year's luncheon and Marble will be available for a book signing after.

Tickets for this year's luncheon are \$30. Tickets can be purchased at Edward Jones Investments on Placer Street, Tri-Counties Bank inside of Raley's on Lake Boulevard, and North Valley Bank on Churn Creek Road. You can also contact Theresa Nachman at 246-8134.

All proceeds from this event go towards Soroptimist International of Redding's Breast Cancer Fund to provide mammogram check-ups for women and men who would otherwise not be able to afford them. In the last year alone, SIR has provided 60 mammograms at the cost of \$13,000.

This year's sponsors are Wal-Mart and Oscar G. Taylor.
